

The Association of Colleges of Sisters of St. Joseph Student Exchange Program Re-application Form

This form is to be used by students currently enrolled in the ACSSJ Student Exchange Program and are seeking to extend their stay at the same host campus or another host campus.

Students are asked to consider carefully the impact of an extension in the Association of Colleges of Sisters of St. Joseph program would have on their residency and graduation requirements. ACSSJ strongly advises students to work closely with their home campus academic advisor for minimal impact on graduation requirements. Individual campuses have the freedom to limit participation in this program to one semester.
